& Out of School Club

March 2017 Newsletter

Welcome to all our new children and parents/carers. We hope your child settles well at Wisbech Day Nursery and enjoys their time with us.

Sun Cream

Please apply cream to children before they attend Nursery. We will re-apply sun-cream after lunch for the children who attend the full day sessions. If you would like us to use our Nursery Sun Cream (Nivea factor 50+) on your child, please pay the one-off contribution of £1.

Staff News

Sadly, Sophie Edwards will be leaving us in April to further develop her career. We will miss her but wish her every success on her new journey.

Food for Life

Following our food for life programme we are developing our growing area. If parents / grandparents have any spare vegetable plants or flowers during the Spring / Summer months, donations will be gratefully appreciated.

Help!

We are having problems with our Composting. If you have any knowledge of composting would you please speak to Deborah or Sam.

What the children have been learning at Nursery

Following on from the children's current interests our Busy Bees's children have been enjoying **Super Hero** play with the new dressing up costumes; they have developed some lovely stories within their fantasy play.

The children in our Ladybirds have been learning about **Spring** and have enjoyed growing Broccoli and Lettuce ready for our garden and enjoying lots of cooking activities.

In April, we will be having **Hatching Chicks** leading to the children learning about lifecycles.

Our youngest children in our Butterfly and Caterpillar Room have been enjoying sensory play. **Sensory play** enhances learning through hands-on **activities** that stimulate the **child's** senses. This is a great way for children to explore the world they live in!

With the weather now becoming more favorable we are having a revamp in the garden area; developing our Growing Area, Loose Parts equipment and lots of new bikes and trikes for the children. Deborah and Sam are attending training for Forest Schools and we hope that we will be able to develop this program for the children later in the Summer.
